

Series breaks Mortgages by repricing S33

Series breaks occur when data are affected by survey changes that are not 'organic' but arise from one period to another because of factors such as the introduction of a new bank to the survey; a bank relinquishing its registration; the sale of assets; merger with another institution, reclassifications of survey data or a change in substance in business practice that interrupts a 'like for like' time series.

Series breaks for the table Mortgages by repricing S33 are displayed in the table below.
