In achieving the purposes of this Act, the Bank must take into account the following principles that are relevant to the performance of functions or duties imposed, or the exercise of powers conferred, on the Bank by this Act:

- (a) the importance of insurance to members of the public in terms of their personal or business risk management:

- (d) the importance of recognising—
 - (i) that it is not a purpose of this Act to eliminate all risk of insurer failure; and
 - (ii) that members of the public are responsible for their own decisions relating to insurance:

 - (i) a transferring fund will not satisfy the solvency standards; or
 - (ii) a receiving fund will not satisfy the solvency standards; or

If financial statements given to the Bank under section 80(1) disclose that a category of business of a statutory fund has an operating profit for the period to which the statements relate or has incurred an operating loss for the period, the life insurer must allocate the profit or loss, as the case may be.

 - (a) the fees and expenses properly incurred by the liquidator in carrying out the duties and exercising the powers of the liquidator, and the remuneration of the liquidator; and
 - (b) the reasonable costs of a person who applied to the court for an order that the insurer be put into liquidation or wound up, including the reasonable costs incurred between lawyer and client in procuring the order; and

- (5) The reference in subsection (4)(d)(iii) to creditors of a life insurer is not limited to creditors to whom amounts are due in relation to the business of a statutory fund, but includes all creditors of a life insurer, whatever the nature of the liabilities involved.
- (6) If a liability of the life insurer is referable to 2 or more statutory funds or is referable in part to a statutory fund but is also related to business, other than life insurance business, carried on by the insurer, the liquidator may apportion the liability so as to determine the part of the liability that is to be borne by each of the statutory funds or by the statutory fund, as the case may be.
- (7) In making an apportionment under subsection (6), the liquidator must comply with any directions of the High Court.
- (8) The part of the amount so determined in relation to a statutory fund is to be treated as a liability of the life insurer that is referable to the business of the fund.

Subpart 4—Statutory management

Commencement of statutory management

171 Statutory management of licensed insurers and associated persons

- (1) The Governor-General may, by Order in Council, on the advice of the Minister given in accordance with a recommendation of the Bank,—
 - (a) declare that a licensed insurer is subject to statutory management; and
 - (b) declare that an associated person of a licensed insurer is subject to statutory management; and
 - (c) appoint 1 or more persons as statutory manager or statutory managers of the licensed insurer or associated person for a specified period.
- (2) If an Order in Council is made under subsection (1),—
 - (a) every subsidiary of a licensed insurer declared to be subject to statutory management, except any subsidiary declared to be a subsidiary to which the order does not apply, is subject to statutory management; and
 - (b) the appointment of a statutory manager for the specified period in respect of the licensed insurer also applies to those subsidiaries.
- (3) If a licensed insurer acquires a subsidiary after it has been declared to be subject to statutory management under subsection (1), the subsidiary is not subject to statutory management unless a further Order in Council is made declaring the subsidiary to be subject to statutory management.

172 Statutory management of overseas persons

If a licensed insurer or an associated person of a licensed insurer that is declared to be subject to statutory management, or a subsidiary of a licensed insurer that becomes subject to statutory management under section 171(2) or (3), is an overseas person, the provisions of this subpart apply to the property, rights, assets, and liabilities relating to its New Zealand business.

173 Date and time of appointment

- (1) Every Order in Council made under section 171(1) must specify the date on which, and the time at which, the Order in Council comes into force.
- (2) The date and time as specified must not be earlier than the date on which, and the time at which, the Order in Council is made.
- (3) If a question arises as to whether, on the date on which a statutory manager was appointed, an act was done or a transaction was entered into or effected before or after the appointment, the act or transaction must, in the absence of proof to the contrary, be treated as having been done, entered into, or effected, as the case may be, after the appointment of the statutory manager.

174 Grounds on which licensed insurer may be declared to be subject to statutory management

- (1) The Bank may make a recommendation under section 171 in respect of a licensed insurer only if it is satisfied on reasonable grounds—
 - (a) that 1 or more of the circumstances specified in section 144(1)(a) to (f) apply and the failure of the insurer may cause significant damage to the financial system or the economy of New Zealand (or both); or
 - (b) that the insurer is, or may be, operating fraudulently or recklessly, and that it is desirable that the insurer be declared to be subject to statutory management for the purpose of—
 - (i) limiting or preventing the risk of further deterioration of the financial affairs of the insurer; or
 - (ii) limiting or preventing the carrying out, or the effects, of any fraudulent act or activity; or
 - (iii) enabling the affairs of the insurer to be dealt with in a more orderly or expeditious way.
- (2) However, the Bank must not make a recommendation under section 171 in respect of a licensed insurer unless it is satisfied on reasonable grounds that the public interest, the financial system or economy of New Zealand, or the policyholders of the insurer cannot be adequately protected under the provi-

sions of this Act other than this subpart or under the Companies Act 1993.

175 Grounds on which associated person can be declared to be subject to statutory management

- (1) The Bank may make a recommendation under section 171 in respect of an associated person of a licensed insurer if it is satisfied on reasonable grounds—
 - (a) that 1 or more of the circumstances specified in section 146(a) to (c) apply; or
 - (b) that the business and affairs of the licensed insurer are so closely connected with the associated person that the statutory manager would be unable to exercise effectively the powers conferred by this subpart in relation to the insurer unless the statutory manager is appointed as statutory manager of the associated person; or
 - (c) that the associated person is, or may be, operating fraudulently or recklessly in a manner prejudicial to the solvency of the insurer or its ability to comply with this Act or the regulations, and that it is desirable that the person be declared to be subject to statutory management for the purpose of—
 - (i) limiting or preventing the risk of further deterioration of the financial affairs of the person; or
 - (ii) limiting or preventing the carrying out, or the effects, of any fraudulent act or activity; or
 - (iii) enabling the affairs of the person to be dealt with in a more orderly or expeditious way.
- (2) However, the Bank must not make a recommendation under section 171 in respect of an associated person of a licensed insurer unless it is satisfied on reasonable grounds that the public interest, the financial system or economy of New Zealand, or any policyholders of the person cannot be adequately protected under the provisions of this Act other than this subpart or under the Companies Act 1993.
- (3) If an associated person of a licensed insurer is also a licensed insurer, the Bank may make a recommendation under section 171 in respect of the person on any of the grounds in subsection (1) or section 174.

- (4) Section 174 does not limit subsection (3).

176 Bank must give notice of recommendation

The Bank must, as soon as practicable after the making of an Order in Council under section 171 declaring a licensed insurer or an associated person of a licensed insurer to be subject to statutory management, give written notice to the insurer or associated person stating the grounds on which the Bank's recommendation was made.

177 Application of this subpart to joint statutory managers, associated persons, and subsidiaries

- (1) If an Order in Council is made under section 171 appointing 2 or more persons as statutory managers of a licensed insurer, the order must state whether the powers conferred by this subpart must be exercised by those persons acting together or may be exercised individually.
- (2) For the purposes of this subpart, unless the context otherwise requires,—
- (a) references to a statutory manager, if 2 or more persons are appointed as statutory managers, include references to those statutory managers:
 - (b) if an associated person of a licensed insurer is declared to be subject to statutory management, or a subsidiary of a licensed insurer becomes subject to statutory management under section 171(2) or (3),—
 - (i) references to a licensed insurer in this subpart must be read as including references to the associated person or subsidiary, as the case may be; and
 - (ii) references to a corporation in the provisions of the Corporations (Investigation and Management) Act 1989 (as applied by section 181) must be read as including references to the associated person or subsidiary, as the case may be.

178 Continuation of statutory management of companies restored to New Zealand register

- (1) This section applies to a licensed insurer, an associated person of a licensed insurer, or a subsidiary of a licensed insurer, that has been removed from the New Zealand register under section 317 of the Companies Act 1993 while subject to statutory management.
- (2) If a person to whom this section applies is restored to the New Zealand register under section 328 of the Companies Act 1993, the person continues to be subject to statutory management from the date the person is so restored.

*Sales and dispositions***183 Sale requires Bank's approval**

The statutory manager may not sell or otherwise dispose of the following unless the statutory manager has consulted with the Bank and the Bank, with the consent of the Minister, has given approval in writing to the sale or other disposition and the terms and conditions of it:
