Explanatory note [to Principal Order]

This note is not part of the order, but is intended to indicate its general effect.

The operative provisions of this Order come into force on 31 March 2014. This Order replaces the Registered Bank Disclosure Statements (Overseas Incorporated Registered Banks) Order (No 2) 2013.

The purpose of this Order is to validate the legal effect of the current versions of material incorporated by reference, in reliance on section 81AA and in accordance with Schedule 3 of the Reserve Bank of New Zealand Act 1989.

This Order in Council is administered in the Reserve Bank of New Zealand.

Explanatory note [to Amendment Order (1)]

This note is not part of the order, but is intended to indicate its general effect.

This order comes into force on 30 June 2014. It amends the Registered Bank Disclosure Statements (Overseas Incorporated Registered Banks) Order 2014 to update references to the Financial Reporting Act 1993, which is being repealed. In most cases, the updated version refers either to the Financial Reporting Act 1993 for banks to which that Act still temporarily applies, or to equivalent provisions in the Financial Reporting Act 2013 and the Financial Markets Conduct Act 2013. The reference in Schedule 1 is removed altogether, as there is no equivalent in the new legislation.

This order is administered by the Reserve Bank of New Zealand

Explanatory note [to Amendment Order (2)]

This note is not part of the order, but is intended to indicate its general effect.

This order comes into force on 31 March 2015. It amends the Registered Bank Disclosure Statements (Overseas Incorporated Registered Banks) Order 2014. The purpose of this order is to update disclosure requirements for registered banks that are incorporated overseas, to reflect the revised approach to financial asset impairment that the External Reporting Board has implemented by issuing a new version of the financial reporting standard NZ IFRS 9.

This order is administered by the Reserve Bank of New Zealand

Explanatory note [to Amendment Order (3)]

This note is not part of the order, but is intended to indicate its general effect.

This order comes into force on 30 September 2015. It amends the Registered Bank Disclosure Statements (Overseas Incorporated Registered Banks) Order 2014, published in a Supplement to the New Zealand Gazette, 21 February 2014, No. 21, at page 542. The purpose of this order is to update disclosure requirements for branches of overseas-incorporated registered banks. It removes the requirement for a full year disclosure statement to include the financial statements of the branch on a stand-alone basis (unless the bank's New Zealand financial reporting group consists only of the branch). The order also removes superseded references to the Financial Reporting Act 1993.

This order is administered by the Reserve Bank of New Zealand

Explanatory note [to Amendment Order (4)]

This note is not part of the order, but is intended to indicate its general effect.

The order also makes a few minor changes to other required disclosure, and removes or updates some expired cross-references.
